**Dance Lessons are Life Follow us on Facebook,  
Instagram and Tiktok**

Aimee's Academy of Dance strives to teach dance in a positive setting so that children can express themselves through dance and movement without fear that they will be punished or embarrassed. Our dance studio is not building professional dancers. We are joining people together who share a love of dance and who want to grow into extraordinary people. The majority of dancers dance for recreational fun but we offer the opportunity to move into our competitive setting.

We ask that when you sign your child up at Aimee's Academy of Dance that you dedicate yourself to the entire school year. We strive to encourage dedication and commitment in our dancers.
